

LIMITED

DEALER EXCLUSIVE

Series

The Desert Sage Limited Series DDM4 V7 — available at dealers only — takes our popular V7 and adds a few extras — like the protective Gen II Desert Sage Cerakote finish, a crisp Geissele SSA trigger, Daniel Defense fixed iron sights, and our fully ambidextrous DD4 lower. The mid-length gas system provides smooth and reliable cycling under any condition and reduces perceived recoil and wear on moving parts. Our MFR 15.0 rail with popular M-LOK attachment points that run along seven positions and an uninterrupted Picatinny rail on top provides plenty of room for the accessories to make this unique rifle truly yours.

FEATURES:

- + DD4 Fully Ambidextrous Mil-Spec Lower with Limited Series Logo Engraved on the Magwell..
- + Mil-Spec Upper with Indexing Marks and M4 Feed Ramps.
- + Chrome Moly Vanadium Steel, Cold Hammer Forged, Chrome Lined Barrel with a 1:7 Twist, 16" Government Profile, and a Mid-length Gas System.
- + Pinned Low Profile Gas Block CNC Machined of 4140 hardened steel and Mil-Spec Heavy Phosphate Coating, Mid-length, Direct Impingement
- + Geissele Super Semi-Automatic (SSA) Trigger
- + Daniel Defense CNC Machined of 6061-T6 Aluminum MFR 15.0 Handguard with M-LOK Attachment
- + GRIP-N-RIP Charging Handle.
- + Daniel Defense Fixed Sight Set (Black)
- + Vickers Nonpadded Sling (Black)
- + Upgraded Condition One Case (Flat Dark Earth)
- + Otis Cleaning Kit
